

# THE BUBBLER™

by

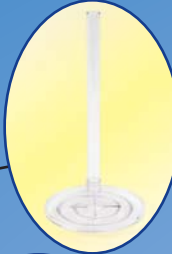

# THE BETTER Sanitary. Strong

## Powerful Visual Appeal

Powerfully effective visual display sells more of your product...

**Spray Circulation**  
Merchandises your fruit drinks and other beverages

**Agitate Circulation**  
Creates appealing movement of beverages in bowl without causing foam (tea, dairy). Also great for thick products.

## Smooth Cleaning

Stainless steel surfaces easily wipe clean. No coils, no domes...

## Simply Sanitary MCX Mag Drive™ Impeller

One-piece, more sanitary, advanced magnetic composite material

## Built Simple the choice is yours:

cup-activated

Two-piece, stainless steel, sanitary dispense system. Cools to the dispense point.

non-cup contact

iced coffee  
cappuccino

Over 80,000 Crathco Bubblers operating worldwide.

juice

# R BUBBLER

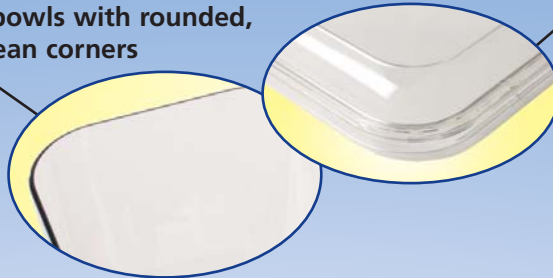

## g. Profitable.

### *Curves in All the Right Places*

UV protected, ultra-strong, Lexan bowls with rounded, easy-clean corners

Insulated bowl covers for cooling efficiency and condensation control

### *When it comes to parts and pieces...fewer is better!*

Simplicity of design (fewer parts!) makes cleaning fast and easy!

### *How cool is that? ...the coolest!*

### *Built Stronger - Built to Last*

All stainless steel construction for heavy duty commercial use.

Unique evaporator proven to cool faster & more efficiently.

Choice of stainless steel (-3) or plastic (-4) side panels and drip tray.

Your low cost option to postmix juice machines

Dispensing over 3 million drinks per day.

# Options

## Security Kits

Locks for bowl lid and dispense valve for after hours security

## Shipboard Kits
